We met at Gail May's home and was served lovely snacks and drinks as our business meeting began.

The UMW meeting began with a prayer by Pastor Jonathan.

OLD BUSINESS

The discussion began with Jan reporting on Ellen Stamp as our guest speaker on April 30. It is a combined service with Rectortown Church. The Worship Committee will be organizing the service and the UMW will be handling the food. It was brought up that Rectortown Fellowship Committee bring the desserts.

Jan will be writing up an article about Mrs. Stamp and her discussion on Corrie Ten Boom. Mike will be contacting the newspapers and magazines with that information. Reiko will get a poster made and put it around town and have Julie send it to all the churches.

Decorations and table settings will be a spring theme.

Lavender table clothes and Debbie will arrange flowers.

Menu is set - Ham, green beans, macaroni and cheese, salad, drinks, desserts.

The UMW will pay \$225 to Jonathan to take the Stamps out to dinner. Mike will be making quiche and we will get juice and fruit for their breakfast.

A brick will be bought with the Stamps name on it as a honorary gift to them for Mrs. Stamp speaking about Corrie Ten Boom at our church service.

It will be decided by our next meeting in April where we will be going for our UMW tea. There are two choices one in Berryville and one in Warrenton.

TREASURER'S REPORT

Debbie gave the treasurer's report with all checks in as well as deposits. March balance being \$4808.06 after the UMCOR was written.

It was all agreed that we will send \$1,000.00 to UMCOR for Turkey/Syria.

Our program began with Gail talking to us in her lovely family room about **Sarah**. It was a very interesting lesson that started our series off on the **Women of the Bible**. Our next woman will be Miriam. We do hope we can encourage all our ladies of the church, that can make our meetings at 2:00 every second Thursday of the month, to come. It is great fellowship, laughter and learning that happens when we all meet together.
